# A Message to Our Community

---

In 2009 we marked our 41st year of helping others. With thanks to our community for its generosity, we were able to meet the needs of many who had never before reached out for help.

It was a difficult year for many as the economy continued to impact the lives of individuals and families in our area creating financial situations which Person to Person helped to ameliorate by providing clothing, groceries, financial assistance, safe camp situations and support for education through scholarships for college students.

Working with Harvard Business Club of CT Community Partners we conducted an in depth pro bono assessment of our programs and services and developed new ways of evaluating the impact of our programs.

As a result of this work, and despite the challenging economy, we were fortunate to begin initiatives to serve more clients and to increase our effectiveness in the years ahead.

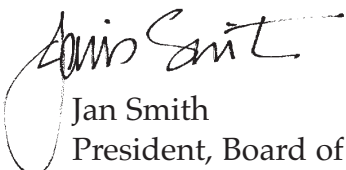

We launched a new website bilingual, updated content for clients; more information and news for supporters; improved navigation for all; a simplified donation utility to deliver a better user experience for everyone who visits our site.

With funds raised through our *Helping Hands* Capital Campaign and financial assistance from our long time benefactor, St. Luke's Parish in Darien, we embarked on a series of projects to improve our physical plant in a manner that would meet changing demand now and in the future.

We opened an innovative new Emergency Food Pantry designed on a self serve model, allowing clients to make their own grocery selections; providing a better drop off area for food donations; ample space for food storage; and giving volunteers more room to work. We refurbished the Clothing Center allowing for more clothing appointments on a daily basis; making it brighter; adding shelving and storage; and providing a larger area for volunteers to work.

We accomplished a great deal during the past year, improving the delivery of services that provide a path to self sufficiency for our neighbors in need and creating an environment that enriches the larger community in which we all live.

Our work continues . . . and with the support of our donors, volunteers and advocates, we are helping others, one person at a time.

# Meeting the Needs of Those Who Need Us Most

---

In 2009, Person to Person provided financial assistance, counseling, referrals, food and clothing to nearly 25,000 people who needed a helping hand — from the working poor to a growing number of people who had experienced a change in circumstances.

**Johnny:** *Johnny and his wife were dealing with the tragic loss of their first baby. Johnny had a full-time job that was enough to maintain the primary household bills. His wife had always had small odd jobs but due to her pregnancy and subsequent recovery she had not been able to work. Johnny also had to miss some time at work. He went back to work, but because of the weeks he was away from his job, the family was having a hard time paying their rent.*

**Janet and Carl:** *They thought they were on their way to a comfortable and financially stable retirement. Then Carl suffered a severe stroke, which left him completely unable to continue his private business. Janet had to give up her part-time job temporarily as Carl went through months of rehabilitative services. They were working with an attorney to expedite the lengthy application process for disability benefits. But they had used up almost all of their savings and investments to pay for their rent, medical insurance, Carl's medications and treatments, utilities and other ongoing expenses.*

**Martha:** *The single mother of three children, Martha had been maintaining most of her family's needs by working two jobs. For a while she was getting by, even though there were struggles at times, and her family was doing okay financially. And then Martha's hours at work were cut, which created a financial crisis in her household.*

Each story was different — losing a job in Manhattan or a home to foreclosure. The circumstances varied — a reduction in work hours or the birth of a new child.

But with the generous support of individuals, businesses, schools, organizations and foundations Person to Person met the need distributing more than \$7.1 million through our *Emergency Assistance Program* in the form of financial grants, clothing, food, baby layettes and car seats, holiday gifts and meals.

4,592 families  
received 48,913 bags of  
gently used clothing

813 families received  
\$314,000 in emergency  
assistance

12,880 people received  
groceries for 148,890  
meals

1,300 children received a  
new toy and a book for  
the holiday

# Keeping Children Safe During the Summer Months

The Person to Person *Campership Program* is one of the most necessary programs that we offer. By funding summer camp for children from low income households in Stamford, we provide peace of mind to working parents who are struggling to make ends meet. A great many of the families have limited childcare options once the school year has ended.

*Angie: She worked hard at her job as a sales clerk during the day and in the evening took classes, working towards an Associate's degree. Angie wanted to eventually pursue a career as a social worker. Because her income barely covered the costs of raising her two daughters, she relied on an after-school program where her girls were able to do their homework in a safe environment; but finding affordable child care in the summer was very difficult. Through the Campership Program, both of her girls attended a camp that was close to their home and afforded Angie the coverage and security to continue her job while working toward her dreams.*

P2P has established relationships with camps, many that have an academic curriculum, provide breakfast, lunch and snacks and offer extended day programs. We offer placement options to meet a variety of needs.

*Donna and Joseph: They have had a difficult year. Joseph's job as a taxi driver has not always brought in a steady income and Donna had to stop working for several months following major surgery. She was finally able to return to work in late spring and the family began catching up on their finances. A P2P campership for their son, seven-year-old Isaiah, allowed both parents to go to work knowing he was safe and having fun.*

For some children, camp provides the academic support necessary to prepare them for school in the fall. For others, it offers an oasis of calm and stability. For all, it provides a rich and stimulating experience that supports their social and educational development while they enjoy summer activities that are fun and fulfilling.

*Francie: Francie had been working hard to rebuild her life after losing her job and then her housing. She had been at a family shelter with her two children for several months. Thanks to the Campership Program, her children had a wonderful and enriching summer experience, while Francie looked for work, found a good job and began to save for a new apartment.*

The average cost for six to eight weeks of camp is \$600. Because this amount is still beyond the means of our clients, we appreciate the generosity of the donors and funders that helped P2P make a difference in the lives of 444 elementary and middle school students last summer.

***\$235,000 funded

elementary and  
middle-school  
students at a variety  
of programs in

# Creating a Lifetime of Possibility

*142 college students  
were granted \$248,000  
from the  
Harriet T. McCorkle  
Scholarship Fund*

*Petersen Pierre  
was awarded a  
scholarship from the  
Napolitano Family  
Scholarship Fund*

*Shanice Owens  
was awarded the  
Lockhart Family  
Charitable Trust  
Scholarship for  
Academic Excellence*

*Rodna Anilus  
and Cathy Dinas  
were awarded the  
Martin Luther King Jr.  
Scholarship*

As part of our mission, Person to Person is dedicated to supporting a client's journey toward self sufficiency. The *Scholarship Program* helps to realize that goal.

Over the past five years, Person to Person has granted nearly \$1.6 million in scholarship assistance to more than 700 college students through its *Harriet McCorkle Scholarship Fund*, the *Lockhart Family Charitable Trust Scholarship*, the *Napolitano Family Scholarship Fund* and the *Martin Luther King Jr. Scholarship*, thereby offering young men and women a lifetime of possibility that would have been unattainable if not for this financial assistance.

And as the agency has helped to fund the dreams and aspirations of those seeking higher education, we also have been able to celebrate the accomplishments of those who have come before.

*Class of 2009: Thirty-five recipients of P2P scholarships earned undergraduate degrees from a variety of colleges and universities in 2009 – such as Andrews University, Champlain College, Fairfield University, Pace University, Stony Brook University, Trinity College, University of Connecticut and University of Hartford – in majors ranging from marketing and performing arts to criminology and computer science.*

We are most grateful to the volunteers who serve on the scholarship committee reviewing applications, meeting with students and often serving as mentors to our award recipients as well as the individuals and organizations that fund our *Scholarship Program* so generously.

Grzegorz Rdzak was born in Poland and emigrated to the United States with his parents. His father worked as a painter and his mother cleaned houses to supplement the family income.

While Grzegorz had worked and saved to attend college, his funds were limited; and with a strong ethic of self-reliance, he was hesitant to reach out for financial assistance. But eventually he did, applying to the Person-to-Person *Scholarship Program* in 2004.

Since that time, he has become one of the agency's most notable success stories. Grzegorz was awarded the *Lockhart Family Charitable Trust Scholarship for Academic Excellence* for the 2006/2007 academic year. In 2008, he was selected for the first Study Abroad elective course offered by the UConn School of Pharmacy and attended university in Beijing where he studied naturopathic medicine at the School of Pharmaceutical Sciences.

With the help of scholarships from P2P, Grzegorz earned an undergraduate degree in analytical chemistry in 2008. He immediately began work on a doctoral degree in pharmacy, which he completed in June 2010. Now employed as a clinical pharmacist at a Stamford pharmacy, Grzegorz will be applying to medical school in the near future.

Grateful for our support and financial assistance, Grzegorz is eager to give back to those who have helped and those who need help reaching out to Person-to-Person with the offer of pharmacy consultations for volunteers, staff and clients.
