

Person-to-Person

Policy Regarding Closings and Cancellations Due to Weather Conditions

In the event of inclement weather, P2P will make every effort to remain open to serve clients.

However, if Darien schools are closed due to weather conditions, then P2P will be closed.

And if Darien schools have a delayed opening or early dismissal due to weather conditions, then P2P will open at 10 am or will close early.

Safety for all is our paramount concern.

So if there is a snowstorm or other serious weather event, please check the Channel 12 News weather closing listings or call (203) 655-0048 to find out if we are open.

Thank you.

**When P2P is closed, call 2-1-1
for referral to other emergency services**
