About National Charity League

National Charity League (NCL) is a non-profit national organization of mothers and daughters who join together in community involvement within local chapters throughout the United States. Its goal is to foster a sense of community responsibility in the girls as well as to strengthen the mother-daughter relationship. The daughters participate in a six-year program of philanthropic work, educational activities and cultural events. Through its philanthropic projects, NCL provides a one-of-a-kind opportunity for mothers and daughters to improve the lives of others while enhancing their own relationships and potentials.

About Person-to-Person

Person-to-Person, Inc., a 501(c)(3) non-profit agency, was originally established in 1968 by St. Luke's Episcopal Church in Darien. Its mission was simple: to bring together the needs of people in disadvantaged areas of nearby communities with the resources of people in Darien and the surrounding areas, thereby providing basic emergency services to low-income individuals and families living in lower Fairfield County. A volunteer-driven agency, Person-to-Person is committed to helping clients achieve self-sufficiency through practical help, advocacy, education and problem-solving initiatives. Programs include Emergency Assistance, Campership and Scholarship. In 2009, Person-to-Person helped 24,780 people avert crisis and make ends meet. These efforts are made possible by in-kind donations, a force of more than 2,000 volunteers and financial contributions.
